“Notable Women of Wayne County”

By Rosa Fox

On Monday, April 15 at 7:00 PM at the Lodge in Ginegaw Park, Walworth-Penfield Road, Walworth, Town of Huron Town Historian Rosa Fox will present a program about significant women from across Wayne County's 15 towns.

Educators, lawyers, politicians, business leaders, religious leaders, suffragists, abolitionists, philanthropists, and others will highlight this program about women who made significant contributions, brought about change, and shook the floors - maybe breaking some glass ceilings - in Wayne County since before recorded history.

Someone from every town is mentioned including women you may be surprised to learn about. Join Historian Fox on this journey of Wayne County Women who defied the norm and broke down barriers.

NOTE from Walworth Town Historian Gene Bavis: Having worked with Rosa for several years, I can guarantee that this will be a top-notch program. Rosa has done extensive research and will give you a glimpse of some amazing women.
